

CN Train Catches Fire In Crystal Springs

Updated: Jan 17, 2014 10:59 AM MST News Channel 12

According to the Copleah County EOC director, a call came in around 11:05pm January 16, 2014 about a fire in Crystal Springs.

The director says that a train had caught on fire in between Cayuga Street and Harrison Drive.

Two men were able to escape from the locomotive, but the engine of the train was damaged in the fire.

The train belongs to Canadian National Railway and it was hauling coal.
