Train derails

Published: **December 02, 2010 8:00 AM**

Two locomotive rail cars derailed upright Saturday afternoon.

CN Rail spokesperson Kelli Svendsen says the incident took place at 1:45 p.m. Saturday on a northbound train arriving into Williams Lake.

She says no one was injured and there were no environmental issues.

“It affected a public crossing just south of the (rail) yard,” she says, adding the train was re-railed at 9 p.m. that same night.

The cause of the derailment is under investigation.
